Mike has been involved in the limestone business since 1986. While working for a Southern Indiana limestone company, he worked on many projects including the Washington Cathedral, the Iowa State Capital restoration, the Iowa Governor’s Mansion and Our Lady of Angels Monastery in Hanceville, Alabama.

When Mike founded Accent Limestone in 1999, he stated his belief that by offering standard limestone pieces, elegant individually-chosen enhancements can be made to any home or office at prices that are affordable without compromise to quality. Mike’s company offers the highest quality cut and carved natural Indiana limestone as well as stone restoration.

In 1959, an African American songwriter and record producer named Berry Gordy, Jr. founded Motown in Detroit, Michigan. What started out as a small, local record company operation rapidly grew to become one of the most recognized and successful brands in the history of the American music industry. Guest speaker Charles Sykes will give us the story behind Motown’s music, and help us understand why that story is such a fascinating and important piece of American history.

Charles E. Sykes is executive director of the African American Arts Institute, a performing arts program that operates under the Office of the Vice President for Diversity, Equity and Multicultural Affairs at Indiana University. An experienced arts administrator, performer, teacher and scholar, Sykes also is an adjunct professor in the Departments of African American and African Diaspora Studies and Folklore and Ethnomusicology, and research associate with the Archives of African American Music and Culture. He has served on a consultant panel for the Motown Historical Museum, as co-contributor of text for the study guide and souvenir program for *Motown the Musical* and developed the first noted course on the history of Motown, which he teaches at IU. His recent published works include the “The Black Forum Label: Motown Joins the Revolution” in the *Association for Recorded Sound Collections* journal, and “The Motown Legacy: Homegrown Sound, Mass Appeal” in *Issues in African American Music: Power, Gender, Race, Representation*.

Register by noon on Monday, October 19 by emailing uclub@indiana.edu. Only members who register by the reservation deadline will receive a Zoom link for this presentation.
Internet fraud, credit card fraud and telephone scams impact millions of Americans every year. Senior citizens are particularly vulnerable. How do you prevent such thievery? How do you react?

Our speaker is an international expert on these security subjects and will detail problems while offering tips for not becoming victims.

Fred Cate is IU Vice President for Research, Distinguished Professor, and C. Ben Dutton Professor of Law. He served as the founding director of IU's Center for Applied Cybersecurity Research, where he is now a senior fellow.

INTEREST GROUPS

The interest groups are the HEART of the University Club and the BEST membership benefit of all!

University Club Members in good standing are eligible to participate in as many interest groups as they wish.

We are updating all interest group information as it becomes available. Select groups continue their activities, others will not be meeting due to social distancing.

IF YOU ARE NOT ALREADY ON THE ROSTER (2019-2020) FOR AN INTEREST GROUP AND WISH TO SIGN UP TO PARTICIPATE IN A NEW GROUP FOR 2020-2021, YOU MUST CONTACT THE INTEREST GROUP CHAIR DIRECTLY IN ORDER TO BE NOTIFIED WHEN THAT GROUP WILL RESUME MEETING.

ACTIVE WALKING GROUP

Do you need some safe socialization? **The walking group is active once again!**

We currently walk in Hyde Park. We start at Mytri's house, 3400 E. Brookstone Ct., Bloomington, IN 47401. Parking is available on the street. We travel a lovely tree-lined two mile route from Mytri's house to the Olcott entrance and back. We meet on Wednesday morning from 9 a.m. - 10 a.m. with a rain date on Friday. You will receive an email Wednesday morning if the walk needs to be moved.

In order to accomplish social distancing, we walk two by two with one person on the sidewalk and the second person near/in the street. We recommend wearing masks in order to keep each other safe even though we will be social distancing. With the re-opening of the state, virus transmission may increase. We want to keep everyone safe.

If you have any questions or concerns, please contact us. The Walking Group will be active through Wednesday, November 18. You will be notified in Spring 2021 when the Active Walking Group starts again.

HIKING IN SOUTHERN INDIANA
In September the hiking group hiked the Hitz-Rhodehamel Woods with The Nature Conservancy guide, Angela Sturdevant. Nine of us enjoyed the beautiful fall weather.

On **October 19**, we will hike the Sculpture Trails Outdoor Museum in Solsberry, IN. See SculptureTrails.com. In January of 2018, we hiked this after seeing the Tulip Trestle and eating at Yoho General Store. The weather turned cold and many of us left saying we needed to return.

Meets us at Yoho General Store ([YohoGeneralStore.com](http://YohoGeneralStore.com)) at 11:00 am on October 19, 2020 for lunch. After we have eaten and visited we will go to the Sculpture Trails just down the road.

Please let Kathleen Boggess know that you are planning to join us.

MAH JONGG

Mah Jongg is a tile-based game that originated in China. It is commonly played by four players. The game is played with a set of 144 tiles based on Chinese characters and symbols, although some regional variations may omit some tiles and/or add unique tiles. In most variations, each player begins by receiving 13 tiles. In turn, players draw and discard tiles until they complete a legal hand using the 14th drawn tile to form four melds (or sets) and a pair (eye).

Mah Jongg is open to new members who know how to play or are interested in learning the game. We are happy to teach you! We are playing American style with the 2019 card. We will not be meeting until the pandemic is over or a vaccine is found.

Chair: Kathleen Boggess 812-361-7332  k boggess44@gmail.com
YOGA

Our group currently meets each Tuesday from 10:00 a.m. - 11:00 a.m. at Lower Cascades Park. We advise bringing an old shower curtain or similar barrier to use between your mat and the damp grass as we may encounter moisture from dew or an overnight shower. On occasion we move inside the shelter to use the picnic benches for a chair yoga session. You need not feel intimidated by yoga! If you are interested in improving balance, breathing, flexibility and relaxation, this is the group for you. No previous knowledge of yoga is necessary. Everyone works at their own pace and level.

Wear comfortable clothes that permit easy movement; bring a yoga mat and a stretchy band or belt. Our instructors strive to leave you feeling stretched, relaxed, and in a better place than when you came through the door.

Participation is FREE for University Club Members! There is no additional cost beyond your UCLUB membership dues, but we do encourage a voluntary donation to St. Thomas Lutheran Church for the use of their lovely facility.

WRITE A FAMILY TREASURE

Do you love to recount childhood adventures? Was there an event that changed your life? The University Club is considering a new interest group, Write a Family Treasure, which will inspire members to write about their life and help them get started. It would meet once a month. Each meeting would last about two hours. The first meeting would cover some of the fundamentals about writing about yourself: what form your writing might take, how to overcome the impediments to writing, and what tools are available. It would include writing prompts and a little time to write. In subsequent meetings, group members would discuss their progress and share some of their writing. These meetings would also include additional prompts and time to write.

If you are interested in this group, please contact Wendy Teller at teller@rcn.com or call her at 812-334-7974.

SHOP ‘TILL YOU DROP

If Shop Till You Drop is to continue, the group will need a new leader. Janie has all the information needed for that individual, such as malls, names of stores, driving directions, lunch suggestions, phone numbers, meeting places, etc. She will be happy to share. The group always has a great time. Are you interested to lead this group?

If you love to shop, here's your chance to join a like-minded group and hit the road for shopping adventures and fun galore!

All Shop ‘Till You Drop information is shared via e-mail. If you are already on the contact list, you need do nothing. If you are new to the game, be sure to contact Janie and sign up to be placed on the email list for information on future trips.
