***NO GIFT IS TOO SMALL OR TOO LARGE***
The National Collegiate Athletic Association is expected to approve rules in 2021 to allow student-athletes to earn revenues from their names, images, and likenesses (NIL). What will this mean to IU’s student-athletes? What will the guidelines be and how will they be enforced?

Galen Clavio is a member of IU’s NIL task force. He’s Director of Undergraduate Studies at the Media School and Director of the National Sports Journalism Center at IU. He also serves as the head of the Sports Media program. Dr. Clavio will discuss proposed NCAA rules in regard to NIL and answer questions from our members.

A native of Indiana, Clavio graduated from Indiana University as an undergraduate in 2001 and received his Ph.D. from IU in 2008.

Register by noon on Tuesday, January 12 by emailing uclub@indiana.edu. Only members who register by the reservation deadline will receive a Zoom link for this presentation.

Speaker Series

Guest Speaker Jim Madison

*The Ku Klux Klan in the Heartland*

Thursday, January 28
11:30 a.m. via Zoom

Jim Madison will talk about his new book, *The Ku Klux Klan in the Heartland*, a story as dark as the night and as American as apple pie. He will explain why so many white, native-born, Protestant Hoosiers proudly pulled on their robes and hoods to root out evil, excluded their enemies, and make bigotry respectable. Jim will offer larger contexts for thinking about difference, exclusion, and hate in the 21st century.

James H. Madison is the Thomas and Kathryn Miller Professor Emeritus of History at Indiana University. An award-winning teacher, Jim is the author of several books, including *Eli Lilly: A Life*, *A Lynching in the Heartland: Race and Memory in America*, and *Hoosiers: A New History of Indiana*. Jim’s new book, *The Ku Klux Klan in the Heartland*, has been published recently by Indiana University Press.

Register by noon on Tuesday, January 26 by emailing uclub@indiana.edu. Only members who register by the reservation deadline will receive a Zoom link for this presentation.
For the ‘Quiet Beatle,’ George Harrison made a lot of noise. He elevated the role of lead guitarist to front-line status and his playing powered the band over rowdy club audiences in Liverpool and Hamburg. He added sublime quiet touches that helped make Lennon and McCartney’s masterpieces complete. He provided an extra touch of elegance in his memorable, melodic solos. George was also a great harmony singer and became a great lead singer and songwriter as well. Standing between two giant Redwoods George made his presence known and crucial, both musically and as the quiet soul at the center of music’s greatest band.

Glenn Gass is a Rudy Professor and Provost Professor of Music at the Indiana University Jacobs School of Music, where he developed a series of courses on the history of rock and popular music. These courses were the first to be offered through a school of music and are now the longest-running courses of their kind in the world. He is the author of "A History of Rock Music: The Rock & Roll Era."

Gass has been the recipient of many distinguished teaching awards and honors. He was chosen as the "Best Professor at Indiana University" several times by the Indiana Daily Student and in nine consecutive Bloomington Voice/Independent annual polls, after which the category was renamed “Best Professor at Indiana University Except Glenn Gass.”

The Glenn Gass Scholarship was established in 2013 with a generous contribution from former Trustee P. A. Mack. Glenn and his wife, Julie, have two sons, Julian and Mathew, who was born on John Lennon's birthday.

Register by noon on Tuesday, February 23 by emailing uclub@indiana.edu. Only members who register by the reservation deadline will receive a Zoom link for this presentation.
The 2020-2021 UClub Scholarship Award winners are Sebastian Soldi, Korinne Ellert and Reilly Clark.

Due to the Covid-19 conditions this year, we were not able to host our annual award luncheon and present these students with certificates for their awards. I contacted them to tell us how this scholarship has helped them this year. These are their responses:

Korinne Ellert has been able to do more with her life and her education with the help of this scholarship as it has enabled her to stay in Bloomington. Without it, she would have needed to spend more on tuition and would not have been able to afford staying in town and would have to do classes remotely from her hometown. She is from Fort Wayne, IN and works for IU Catering in her second year where she loves the job, the people she works with and sees daily, gaining friends, connections and new skills from her job. She is a sophomore with three majors. They are Cognitive Science, The Classics of the Latin Language and Philosophy.

Sebastian Soldi is studying online from Kokomo this year. He provided no further information.

Reilly Clark is taking classes online from his hometown. Our scholarship has helped him cover expenses on his Bloomington apartment where he has a 12 month lease. His mother helps with his rent but she too lost her job during Covid so this money has been a big help toward several months of rent. Reilly started at IU as a Sophomore and works for catering. He is majoring in animal behavior and has a strong love of animals. This has been in some way a part of his entire life either through jobs or pets. He wants to help people and animals in any way he can.

Mah Jongg is a tile-based game that originated in China. It is commonly played by four players. The game is played with a set of 144 tiles based on Chinese characters and symbols, although some regional variations may omit some tiles and/or add unique tiles. In most variations, each player begins by receiving 13 tiles. In turn, players draw and discard tiles until they complete a legal hand using the 14th drawn tile to form four melds (or sets) and a pair (eye).

Mah Jongg is open to new members who know how to play or are interested in learning the game. We are happy to teach you! We are playing American style with the 2019 card. **We will not be meeting until the pandemic is over or a vaccine is found.**
