A Message From the President

Leadership Needed!

As you all know last year was a difficult year for the club. Without rental income, it became a financial struggle. Thanks to Co- Presidents Steve and Sandy Moberly and Svetla, we received the financial help we needed, through loans and grants, to keep the club running.

Now we face another critical issue: leadership. In late March through May, the nominating committee of Steve and Sandy Moberly, Ken Beckley and myself, approached approximately 15 members about becoming the Vice President/President elect. All of these members declined, with advanced age and/or health concerns being the most frequent reasons. The Vice President’s responsibility is to chair the Program Committee, consisting of the President and Vice President of the club, the immediate past president, and the President and Vice President of the UWC. This person or couple would then become President the following year in 2022-2023. As you can see from your newsletter, the Program Committee, minus this important leadership role, continued to plan programs for the first semester. This will not be true for next year, unless someone steps forward to fill this position now. Our current group can plan the spring semester events, but this is where it will end. We will begin in late August to plan the spring semester and would like for the new Vice President to join the committee to be part of the process. In recent years this position has been a co-position with husband/wife or with two close friends. I am the first person in several years to hold the position alone. Please consider these options when you consider the position.

Additionally, the board is also seeking a Community Chair. A candidate would be a person active in the community, willing to work on keeping our name top of mind for rentals and membership. Our past Community Chair has already provided many great ideas she was unable to implement during the pandemic.

The same problem with leadership is also true for the UWC. They also do not have top leadership for the following year. The Vice President does not wish to continue as President. The UWC hosts 3 events each year and more importantly oversees all the interest groups, the heart of the club.

Without top leadership in these two groups, the club, as we know it, will cease to exist.

If you are interested in stepping into any of these positions, I encourage you to do so quickly. For more information about the University Club Vice President or Community Chair positions, you can reach me at 812-333-4729 or email cindy.york3949@gmail.com. For information on positions with the UWC you may contact Erdine Simic 812-336-0811 or esimic@comcast.net.

Thank you,

Cindy York

A Conversation with Film Writer Angelo Pizzo

Tuesday, November 16
Dinner begins at 6 p.m., conversation at 6:45 p.m.
University Club Presidents’ Room

Join us for a talk and Q&A with film writer Angelo Pizzo on his newest project, the story of Jim Thorpe and the Carlisle Indian School Football Team.

Film writer Angelo Pizzo of Hoosiers and Rudy fame returns to football in his newest project, the story of the 1911-12 Carlisle Indian School (Pennsylvania) team that was the focus of the book by Washington Post columnist Sally Jenkins, The Real All Americans: The Team that Changed a Game, a Team, a Nation. The team, which regularly played Ivy League schools, in November 1912 defeated the U.S. Military Academy team that included future U.S. President Dwight Eisenhower and showcased the talents of Carlisle’s star Jim Thorpe. A remarkable and versatile athlete, Thorpe that summer had won two Olympic Gold Medals. Using speed and ingenuity, the team is credited with introducing the spiral throw and innovative formations in a sport that had been defined by size and brawn. The story is not only about football, however, as Carlisle was among the schools created to erase Indian culture, and that shameful legacy remains relevant in current times. Pizzo, inspired since boyhood by Thorpe’s accomplishments and long interested in the Carlisle story, will be working with producer Ray Halbritter, Oneida Indian Nation Representative, and his Standing Arrow Productions.

Born in Illinois, raised in Indiana, and educated at Indiana University and the University of Southern California, Pizzo now lives in Bloomington. Among his many honors, he has been named a Sagamore of the Wabash, awarded IU’s Thomas Hart Benton Medallion, and inducted into the Indiana Basketball Hall of Fame. His films include Hoosiers, Rudy, The Game of Their Lives, and My All American.

University Club Scholarship Recipients Announced

Sarah Shahnaz - IMU Building Manager
Majoring in Psychology

and

Abbigail Mendenhall - IMU Starbucks
Majoring in Elementary Education  TIP BSED (REPA)

Each student will be awarded $1000 towards their fall semester at Indiana University.

The students and their achievements will be recognized this fall during a special luncheon on October 5th in the University Club.

Sarah Shahnaz

I am from Fishers, IN and I study Criminal Justice and Psychology. I am deciding between going directly into graduate school for Forensic Psychology or taking a few years off of school to work beforehand. I eventually want to get a doctorate in Forensic Psychology. In my free time, I have lately been spending some time researching the theory of consciousness and other topics in philosophy. I also love to garden, go to thrift shops, and I am always looking for ways to reduce my carbon footprint. In the IMU, I work as an Assistant Building Manager. I consider myself extremely lucky to have this job because I value the way I have been encouraged to find my strengths and to work on my weaknesses as a person. I cherish the connections I’ve made while working in the Union and I feel honored to be able to introduce prospective students and visitors to our beautiful campus.

Abbigail Mendenhall

As a student at Indiana University, I am majoring in Elementary Education with a minor in Music. As I approach my senior year of undergraduate studies, I will begin student teaching in both Indiana and Australia. I am involved with several education associations currently and plan to spend time teaching prior to pursuing a graduate program. Most of my time is spent finding Bloomington’s best scenery with my dog and working to pay for my degree. This scholarship provides financial security so that I can pursue my studies in a way that will prepare me for my future.

Dining Out events are usually on the fourth Sunday evening of each month. The schedule and other information is sent by e-mail and phone calls upon request. Responses must be received by the stated deadline so the restaurant can properly staff our event.

Restaurant seating is usually in groups of 6 – 8 to promote conversation and camaraderie. Guests are always welcome. Joining the group can be done at any time simply by contacting the chair. We do not meet in November or December due to the holidays.

Looking for a new chair.

EUCHRE

This group will resume as soon as Meadowood allows us to resume using the card room.

Euchre is a trick-taking card game played with partners with a deck of 24 cards ranging from 9 to Ace. Around 1860 this game was responsible for introducing the joker to the modern deck of cards. It was used to act as the trump or best bower. The joker is not used in the most common version of the game. It is also believed to be closely related to the French game Ecarte’ that was popularized in the United States by the Cornish and Pennsylvania Dutch. It has long been a popular Indiana and Midwestern game.

The group will meet on the last Thursday of the month in the Meadowood Card Room from 2 - 4 p.m. Please bring a snack to share and your own beverage. You do not need a partner to participate. The group will meet year-round.

Chair: Cindy York 812-333-4729 cindy.york3949@gmail.com

HIKING IN SOUTHERN INDIANA

The Hiking group generally plans hikes throughout the year. Hikers meet at a designated location and carpool to the trail. Some hikes are easy, some moderate. Hikers enjoy good exercise, nice weather and good company. Most hikes have a guide sharing interesting educational and historical facts about the area.

Hiking might happen this summer. Hiking chair, Kathleen, will send emails to the group with information on upcoming hikes. If you want to be added to the hiking list, please contact Kathleen.

**MAH JONGG**

Mah Jongg is a tile-based game that originated in China. It is commonly played by four players. The game is played with a set of 144 tiles based on Chinese characters and symbols, although some regional variations may omit some tiles and/or add unique tiles. In most variations, each player begins by receiving 13 tiles. In turn, players draw and discard tiles until they complete a legal hand using the 14th drawn tile to form four melds (or sets) and a pair (eye).

Mah Jongg is open to new members who know how to play or are interested in learning the game. We are happy to teach you! We are playing American style with the 2019 card. **We will not be meeting until the pandemic is over.**

YOGA

Life is truly getting back to normal, at least in regard to our yoga group. As of Tuesday, June 8, we will again meet at 10:00 a.m. at St. Thomas Lutheran Church on the corner of Smith Road and E. Third St.

You need not feel intimidated by yoga!
If you are interested in improving balance, breathing, flexibility and relaxation, this is the group for you. No previous knowledge of yoga is necessary. Everyone works at their own pace and level.

Wear comfortable clothes that permit easy movement. Bring a yoga mat and a stretchy band or belt. Our instructors strive to leave you feeling stretched, relaxed, and in a better place than when you arrived.

Now that we have returned to St. Thomas Lutheran Church for our weekly yoga practice, we want to remind (or inform) those of you who are joining us there and who continue to join us virtually from there that we request that you make a donation to the church for the use of the space. We suggest $20-$25 as an appropriate amount.
