A Message From The President

As the beautiful fall landscape of Bloomington prepares to set in, we are beginning another wonderful year of friendships and social exchange with the University Club. Our Welcome Back Reception featuring Athletic Director Scott Dolson was a Hugh success. Additionally, we have enjoyed great attendance at our August Cocktail Social and our UWC Fall Luncheon.

Our Program Committee is welcoming Vicki Roberts and Ingrid Toschlog to the group, already consisting of Steve and Sandy Moberly, Erdine Simic, Charlene Brown and myself. We will be meeting early in the month to plan the spring programs. I invite you to contact any members of the group with ideas for upcoming programs.

We have received inquiries on what our policies would be, going forward, for gathering at our club events. The Board of Directors has listened to your concerns and has decided to continue to follow the same guidelines as Indiana University and the IMU. The mask mandate remains the same on campus and the rest of Monroe County. We are required to file an application for approval for our club events at least ten days in advance with the University Events Review Committee (UERC). This includes the number of people in attendance, seating charts and detailed event information. In order to protect the health and safety of those in attendance, approval is given only when all current Covid guidelines are met.

Our club is still struggling with leadership. If you have an interest in stepping into a leadership role, please contact myself, or another board member to make this known and explore the opportunity. We still do not have a vice-president/president elect for this year. If our situation is not resolved by the end of the year, the topic of our January board meeting will be the future of the club. What will it look like without social events? Will we try to keep it open as only a rental facility? Who will oversee the finances? All of these questions, and many more, will need to be addressed in the future.

In the meantime, I hope you will enjoy the fellowship of the interest groups and the programs we have planned this year.

A Conversation with Film Writer
Angelo Pizzo

Tuesday, November 16, 6:00 – 8:00 p.m.
University Club Presidents’ Room

Join us for a talk and Q&A with film writer Angelo Pizzo on his newest project, the story of Jim Thorpe and the Carlisle Indian School Football Team.

Film writer Angelo Pizzo of Hoosiers and Rudy fame returns to football in his newest project, the story of the 1911-12 Carlisle Indian School (Pennsylvania) team that was the focus of the book by Washington Post columnist Sally Jenkins, The Real All Americans: The Team that Changed a Game, a Team, a Nation. The team, which regularly played Ivy League schools, in November 1912, defeated the U.S. Military Academy team that included future U.S. President Dwight Eisenhower and showcased the talents of Carlisle’s star Jim Thorpe. A remarkable and versatile athlete, Thorpe also won two Olympic Gold Medals. Using speed and ingenuity, the team is credited with introducing the spiral throw and innovative formations in a sport that had been defined by size and brawn. The story is not only about football, however, as Carlisle was among the schools created to erase Indian culture, and that shameful legacy remains relevant in current times. Pizzo, inspired since boyhood by Thorpe’s accomplishments and long interested in the Carlisle story, will be working with producer Ray Halbritter, Oneida Indian Nation Representative and his Standing Arrow Productions.

Born in Illinois, raised in Indiana, and educated at Indiana University and the University of Southern California, Pizzo now lives in Bloomington. Among his many honors, he has been named a Sagamore of the Wabash, awarded IU’s Thomas Hart Benton Medallion, and inducted into the Indiana Basketball Hall of Fame. His films include Hoosiers, Rudy, The Game of Their Lives and My All American.

Dining Out events are usually on the fourth Sunday evening of each month. The schedule and other information is sent by e-mail and phone calls upon request. EUCHRE

This group will resume as soon as Meadowood allows us to resume using the card room.

Euchre is a trick-taking card game played with partners with a deck of 24 cards ranging from 9 to Ace. Around 1860 this game was responsible for introducing the joker to the modern deck of cards. It was used to act as the trump or best bower. The joker is not used in the most common version of the game. It is also believed to be closely related to the French game Ecarte' that was popularized in the United States by the Cornish and Pennsylvania Dutch. It has long been a popular Indiana and Midwestern game.

The group will meet on the last Thursday of the month in the Meadowood Card Room from 2 - 4 p.m. Please bring a snack to share and your own beverage. You do not need a partner to participate. The group will meet year-round.

MAH JONGG

Mah Jongg is a tile-based game that originated in China. It is commonly played by four players. The game is played with a set of 144 tiles based on Chinese characters and symbols, although some regional variations may omit some tiles and/or add unique tiles. In most variations, each player begins by receiving 13 tiles. In turn, players draw and discard tiles until they complete a legal hand using the 14th drawn tile to form four melds (or sets) and a pair (eye).

Mah Jongg is open to new members who know how to play or are interested in learning the game. We are happy to teach you! We are playing American style with the 2019 card. We will not be meeting until the pandemic is over.

Chair: Kathleen Boggess 812-361-7332 kboggess44@gmail.com
