One of Hollywood’s most successful movie producers, Michael Uslan may be most famous for the modern Batman movies, including *Batman Begins*, *The Dark Knight Rises*, *Joker*, and many more; but he has worked on numerous other projects, too, including Disney’s *National Treasure* and the children’s educational show *Where on Earth Is Carmen Sandiego?*, for which he received an Emmy Award.

In 1971, while still an undergraduate at IU, he persuaded the College of Arts and Sciences to let him teach the first accredited college course on comics. His generous donations of comics and personal papers to IU’s Lilly Library of rare books and manuscripts have been featured in a major exhibition (“Comic Books as Cultural Mythology”) and remain accessible through the library. He is the author of more than 25 books; his sequel to his memoir, *The Boy Who Loved Batman*, is due out in 2022.

He credits his undergraduate, graduate, and law degrees from IU with providing the foundation for his amazing career in the entertainment industry and retains his close connection to IU and its students as a Professor of Practice in The Media School. Professor Gass taught courses on The Beatles and Bob Dylan for many years. Facts about each showed up so often in both classes that it almost seemed like one class - it seemed impossible to talk about one without mentioning the other. Indeed, “Beatle music + Bob Dylan lyrics” would not be a bad shorthand for the 1960’s and the incalculable influence the combination of the two had on all that followed. Together were responsible for transforming rock & roll into an art form of seemingly limitless musical and lyrical horizons. This presentation will be a fun look at rock’s greatest mutual admiration society and the parallel courses the Beatles and Bob Dylan charted through the 1960’s, with plenty of audio and visual entertainment.

Glenn Gass is a Rudy Professor and Provost Professor Emeritus of Music at the Indiana University Jacobs School of Music, where he developed a series of courses on the history of rock and popular music. These courses were the first to be offered through a school of music and are now the longest-running courses of their kind in the world. He is the author of "A History of Rock Music: The Rock & Roll Era."

Gass has been the recipient of many distinguished teaching awards and honors. He was chosen as the "Best Professor at Indiana University" several times by the Indiana Daily Student and in nine consecutive Bloomington Voice/Independent annual polls, after which the category was renamed “Best Professor at Indiana University Except Glenn Gass.”

The Glenn Gass Scholarship was established in 2013 with a generous contribution from former Trustee P. A. Mack Jr. Glenn and his wife, Julie, have two sons, Julian and Mathew, who was born on John Lennon's birthday.

DINING OUT

NEW CHAIR IS NEEDED!!!

The Dining Out group is open to all University Club members - singles and couples - who enjoy good food, good friends and good times. Dining Out events are usually on the fourth Sunday evening of each month. The schedule and other information is sent by e-mail and phone calls upon request. Responses must be received by the stated deadline so the restaurant can properly staff our event.

Restaurant seating is usually in groups of 6-8 to promote conversation and camaraderie. Guests are always welcome. Joining the group can be done at any time simply by contacting the chair. We do not meet in November or December due to the holidays.

EUCHRE

This group will resume as soon as Meadowood allows us to resume using the card room.

Euchre is a trick-taking card game played with partners with a deck of 24 cards ranging from 9 to Ace. Around 1860 this game was responsible for introducing the joker to the modern deck of cards. It was used to act as the trump or best bower. The joker is not used in the most common version of the game. It is also believed to be closely related to the French game Ecarte' that was popularized in the United States by the Cornish and Pennsylvania Dutch. It has long been a popular Indiana and Midwestern game.

The group will meet on the last Thursday of the month in the Meadowood Card Room from 2-4 p.m. Please bring a snack to share and your own beverage. You do not need a partner to participate. This group will meet year-round.

Chair: Cindy York 812-333-4729  cindy.york3949@gmail.com

**MAH JONGG**

Mah Jongg is a tile-based game that originated in China. It is commonly played by four players. The game is played with a set of 144 tiles based on Chinese characters and symbols, although some regional variations may omit some tiles and/or add unique tiles. In most variations, each player begins by receiving 13 tiles. In turn, players draw and discard tiles until they complete a legal hand using the 14th drawn tile to form four melds (or sets) and a pair (eye).

Mah Jongg is open to new members who know how to play or are interested in learning the game. We are happy to teach you! We are playing American style with the 2019 card. **We will not be meeting until the pandemic is over.**

YOGA

We meet at 10:00 a.m. every Tuesday at St. Thomas Lutheran Church on the corner of Smith Road and E. Third Street. Yoga is also available via Zoom. Please contact the interest group chairs for weekly Zoom link.

You need not feel intimidated by yoga! If you are interested in improving balance, breathing, flexibility and relaxation, this is the group for you. No previous knowledge of yoga is necessary. Everyone works at their own pace and level.

Wear comfortable clothes that permit easy movement. Bring a yoga mat and a stretchy band or belt. Our instructors strive to leave you feeling stretched, relaxed, and in a better place than when you arrived.

Now that we have returned to St. Thomas Lutheran Church for our weekly yoga practice, we want to remind (or inform) those of you who are joining us there and who continue to join us virtually from there that we request that you make a donation to the church for the use of the space. We suggest $20-$25 as an appropriate amount annually.
